TRIPOD FARMERS

Delivering field fresh salad to you

Tripod Farmers started as a small family run business in 1989 by 3rd generation farmers Frank, Joe, Angela and Carmel Ruffo. It is now considered Australia's leading Salad Company farming over 800 acres across Western Melbourne and Gippsland regions in Victoria.

Our wide selection of varieties, exceptional standards and state-of-the-art facilities ensure our customers receive the best quality product all year round.

Tripod Farmers is the preferred salad provider for many companies Australia wide, from major retailers to your local green grocer.

Where can you buy our product?

The lettuce and salad varieties lovingly grown on our farms can be found at over 240 stockists across Australia. Check our website to find a store near you.
